## New GSA president says he'll make a difference

By Jeff HARRISON

"We strongly believe that, as [Conestoga] students, should be educated from a good secondary education system," and the new president of the College Student Association (CSA).

Met Jackson, the new president of the CSA, said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

The CSA is a non-profit organization that represents students' interests in Conestoga College. It represents 14 colleges including Conestoga, 14 colleges and more than 100,000 students studying in the state of the Virginia in the past year, and continues to be a part of the state of the Virginia in the past year, and continues to be a part of the state of the Virginia in the past year.

With the new administration from the McKinney government, the CSA is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

As Jackson's first year, the CSA is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

Last year Jackson said both the CSA and CBA were highly involved with the new secondary education system and contributed to the M-CI. Jackson said he was excited to see secondary education by attending the meetings making secondary education and tertiary education. He said he was excited to see secondary education by attending the meetings making secondary education and tertiary education.

"The CSA is a non-profit organization that represents students' interests in Conestoga College. It represents 14 colleges including Conestoga, 14 colleges and more than 100,000 students studying in the state of the Virginia in the past year, and continues to be a part of the state of the Virginia in the past year."

Jeff Jackson

Jackson said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

"When asked what he had to offer to Conestoga students, he said he was excited to see secondary education by attending the meetings making secondary education and tertiary education. He said he was excited to see secondary education by attending the meetings making secondary education and tertiary education."

Jackson also said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

"Strong students, strong leadership, strong efforts."

Last year CSA president John Jackson was also president of CSA of the state of the Virginia in the past year, and continues to be a part of the state of the Virginia in the past year.

Jackson said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

"There is a lot of things that we can do to make sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible."

Jackson said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

Jackson said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

Jackson said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

Jackson said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible. He said he is looking forward to making sure students receive and receive the best education possible.

## Student centre construction in full gear

By JESSIE MORRIS

Construction of the new student centre is in full gear. The new student centre is in full gear. The new student centre is in full gear. The new student centre is in full gear.

"We are very excited to see the new student centre in full gear. The new student centre is in full gear. The new student centre is in full gear. The new student centre is in full gear."

"We are very excited to see the new student centre in full gear. The new student centre is in full gear. The new student centre is in full gear. The new student centre is in full gear."

"We are very excited to see the new student centre in full gear. The new student centre is in full gear. The new student centre is in full gear. The new student centre is in full gear."

## A memorial to remember

At the memorial service to commemorate the lives of 14 women killed in the 1994-1995 Conestoga College shooting, students and faculty members had the opportunity to purchase buttons and posters created by the college's graphic arts students. The buttons were designed by the graphic arts students and the posters were designed by the graphic arts students. The buttons were designed by the graphic arts students and the posters were designed by the graphic arts students.

## Now deep thoughts ...with Conestoga College

Random questions answered by random students

What is the strangest New Year's resolution you've ever made?

"To stop requesting photos and magazine ads on loan from the board. It's graphic design obsession!"

**Gabriela Copel,**  
second-year  
graphic design

"To join the Feline Bow Club"  
**Amyn Strasser,**  
second-year  
financial planning

"To give up cigarette sales so I could move on to smoking cigars, just like Bill Clinton"

**Raymond Akmal,**  
second-year accounting

"Every year I resolve not to make any resolutions and every year I have had great success in keeping that"

**Liz Benneft,**  
first-year personal support worker

"To stop sniffing glue"  
**Adam McDougall,**  
second-year police foundation

"To stop looking at beauty porn"  
**Ken Bowles,**  
first-year broadcasting

"To stop kissing my boyfriend"  
**Lorena Lopez,**  
second-year office administration executive

# College's enrolment is down slightly

BY JENNIFER PARKER

Conestoga's overall enrolment in 1994 is 14,353, says the school.

While Conestoga runs into the red each year, says the school, it's not the worst of the worst. The school's enrolment is down this year, but from the low three years ago.

Conestoga's enrolment in 1994 is 14,353, says the school.
